1           **B. The Ease of Travel to and from the Northern District of California for Parties  
2 and Counsel**

3           7. It is significantly easier to access the Northern District of California from B&G  
4 Foods's headquarters in Parsippany, New Jersey as compared to this District. Attached as **Exhibit  
5 2** is a true and correct copy of a screenshot from Google Flights showing that there are no daily  
6 direct flights from Newark, New Jersey to Sacramento.

7           8. By contrast, there are 15+ direct flights between Newark and San Francisco,  
8 Oakland, and San Jose, the three major airports within the Northern District, as demonstrated by  
9 the Google Flights screenshot attached as **Exhibit 3**.

10          9. Likewise, there are significantly more flights between San Diego and the Northern  
11 District of California than this District. Attached as **Exhibit 4** is a screenshot from Google Flights  
12 demonstrating that there are 50+ daily direct flights between San Diego and San Francisco,  
13 Oakland, and San Jose.

14          10. By contrast, there are just 15 direct flights between San Diego and Sacramento, as  
15 demonstrated by the Google Flights screenshot appended as **Exhibit 5**.

16           **C. The Difference in Docket Congestion Between the Northern District of  
17 California and this District**

18          11. As of December 31, 2019, the Judicial Caseload Profile for the Eastern District  
19 court showed that there were 1,234 pending cases per judgeship. Attached as **Exhibit 6** is a true  
20 and correct copy of the Judicial Caseload Profile for the Eastern District of California.

21          12. In the Northern District, as of December 31, 2019, there were 854 pending cases per  
22 judgeship. Attached as **Exhibit 7** is a true and correct copy of the Judicial Caseload Profile for the  
23 Northern District of California.

24           **D. Plaintiff's Meet and Confer Efforts**

25          13. Prior to bringing this motion, my firm sought to meet and confer with Defendants  
26 and their counsel. On March 13, 2020, we convened a telephonic meet-and-confer call with  
27 Defendants' counsel. Defendant Glick was also present on the call.

28

1       14. On the call, we explained that Plaintiff intended to file a motion to transfer venue to  
2 the Northern District of California, explained the reasons for this motion, and asked Defendants to  
3 stipulate to such relief. Defendants categorically refused.

4           I declare under penalty of perjury under the laws of the State of California that the  
5 foregoing is true and correct to the best of my knowledge, information, and belief.
